

## BUTCH PET FOODS

The Butch Label range are established, proven 100% guaranteed products. Each roll from the range is distinctly different and unique. All Butch Label rolls are enriched with Kelp and Omega-3 and naturally contain the correct level of Omega-6.

Butch Black Label is a high performance premium diet for maximum energy, strength and vitality for dogs.

Butch White Label is an excellent choice for red meat intolerant or sensitive dogs. When fed as your dog's sole diet, this can reduce staining around the mouth and eyes.

Butch Blue Label is a delicious meal for both cats and dogs. It is enhanced with Omega-3 rich Tuna, Yucca for reduced faecal odour, Parsley for fresh breath and Taurine for a healthy heart and eyes.
