

There is a true story of heritage that is shared by Crown Range Cellar and Glacier Investments - our stories can be traced back to the gold rush days in Central Otago, New Zealand. In 1869, it was called the 'New Gold Mountain' in a region known for its harsh conditions, where 2,000 Chinese goldminers came to Central Otago.

Crown Range Cellar is a modern wine producer that strives to create exceptional, premium wines. They constantly push the boundaries by experimenting with different styles of winemaking. This is evident in the award-winning wines that Crown Range Cellar has crafted over time, such as:

## AWARD WINNING WINES

### **Moon Rock Pinot Gris 2018** (Waitaki Valley)

It won a Gold Medal and Trophy for Best Semi Aromatic White Wine (International Wines & Spirits Competition, London 2019).

Inspired by the growing crystals of selenite found deposited around Lake Aviemore, Moon Rock is a mysterious Pinot Gris from the Waitaki Valley - an ethereal place characterised by its cool climate, limestone soils and strange rock formations.

Growing conditions permit a long, late harvest, producing a wine with low acidity, a subtle hint of sweetness, rich texture and a long finish. Great with a range of foods.

### **Drowsy Fish Sauvignon Blanc 2016** (Nelson, Marlborough)

Aromatic and fresh Sauvignon Blanc with appealing tropical flavours, rich in texture with ripe passionfruit and nettle notes.

A Wine Judge, Sam Kim has awarded 93 points to Drowsy Fish and it is intensely aromatic on the nose, showing feijoa, green rockmelon, nectarine and sweet basil characters, leading to a vibrant palate that is punchy and flavoursome.

This wine offers excellent fruit weight and concentration, brilliantly supported by fine texture and mouth-watering acidity.

### **China Girl, Pinor Noir 2016** (Bendigo, Central Otago)

Bob Campbell, Master of Wine, has awarded 93 points to China Girl for being a scented, fruity wine with typically ripe Bendigo character, suggesting plum, dark cherry, spice, anise and raspberry with plenty of spicy oak influence.

The ink-like texture is also very Bendigo. Dense, but quite ethereal. Better with a little bottle age.

### **The Stolen Heart, Merlot Malbec 2014** (Hawkes Bay)

Grown in the warm, free-draining soils of the Gimblett Gravels, these vineyards are certified organic. This seductive range of reds offers concentration of fruit, structured tannin and well integrated oak.

Dense inky purple colour intense aromas of dark berry fruit and chocolate, with spice and warm earth highlights. Bold and powerful on the palate with concentrated flavours of blueberry, dark plum and cocoa. Fine tannins give definition and length to this robust and succulent wine.

### **The Stolen Heart, Cabernet Merlot 2014** (Hawkes Bay)

Grown in the warm, free-draining soils of the Gimblett Gravels, these vineyards are certified. This seductive range of reds offers concentration of fruit, structured tannin and well integrated oak.

Concentrated yet, fine and penetrating favours of dark fruits, red rose and tobacco. Lacy tannins weave through this cabernet based wine, giving a classical refreshing finesse and carry the complex flavours to linger on the finish.
